Improved Crime Dashboard

The City of Minneapolis has improved its online crime dashboard. The new dashboard connects to Minneapolis Police Department data better than before, providing more comprehensive results that align with national standards. [Check out the dashboard.](#)

Tangletown Neighborhood Security Rebate Program

Tangletown Neighborhood Association is now offering a security rebate program to assist residents in making safety improvements to their homes and apartments. The rebate covers a variety of safety improvements and will match 50% of expenses up to \$500. Residents with a household income of \$75,000 or less are eligible to apply for the rebate [More info](#)

38th and Chicago Avenue Re-Envisioned Project Open House

Given the expansive memorial and artworks, the age and condition of the streets, as well as evolving uses within the space, a reconstruction is necessary to support a re-envisioned intersection. The City is hosting an online open house on April 26th 5-7pm to share information and gather feedback from neighbors on redesigning the intersection. [Join the meeting.](#)
