Forward Together

Join TRUST for an exciting day of learning, connecting and community conversation. The City's free Community Connections Conference on May 21 connects residents of Minneapolis, community groups, neighborhoods and local government. This year's conference theme is "forward together," welcoming all communities to reconnect with the City and get involved in moving Minneapolis forward. There will be free food from local restaurants, dance and performances by local artists, a panel on aging and older adults, community conversations about youth, safety, housing, small business, and local government. [Registration for online and in-person attendance is free!](#)

Older Americans Month

Is a national celebration established in 1963 to acknowledge the contributions of older adults. This month, TRUST Inc. will recognize the national theme of Age My Way— by celebrating all older adults in our community across social media. Thank you for letting us support you (and your family) as you Age My Way! [Ways to take action](#)

National Mental Health Awareness Month

During May, NAMI Minnesota joins in the national movement to raise awareness about mental health by holding special presentations, author talks, classes, and more in our effort to fight discrimination, provide support, educate the public, and advocate for policies to help people with mental illnesses and their families.
