A Bit About TRUST Inc

You may know us through Meals on Wheels, Chore Home Services, Grocery/Errand Transportation Services or Trusty Salers Estate Services. Together, we are a 501C3 non-profit agency that partners with communities of faith and communities of neighbors to help seniors 55+ and those with disabilities remain safely in their homes.

We are located at **9 West Rustic Lodge, Minneapolis MN 55419**.

You may ask, "Where's that?" The easiest answer is we are just west of Nicollet Avenue at about 48th and ½ street (aka Rustic Lodge). We are just west of the St. John's Lutheran Church parking lot on the first floor of a 1930's duplex home that has been converted into office space. Now that you know where we are, stop in anytime. This summer we are planning to put in an accessibility ramp to the front door, rain gardens and some window boxes we hope to fill with colorful impatiens! We are open 9:00 a.m. – 2:00 p.m. Monday – Thursday.

Community Connections

It's been a busy couple of months at TRUST Inc as we continue to create community with the community. We dodged the rain (and snow) drops on **March 05** for our first annual Spring Market and Craft Fair held at Diamond Lake Lutheran Church. It was a great day with over 20 vendors and crafters and a great group of people who shopped for the cause.

We were blessed to have the Caritas "Inspiring Harmony" benefit concert **April 10** hosted at Richfield Lutheran Church.

Such beautiful music on a sunny, spring day! The fundraising from this concert will help support the many programs and initiatives of TRUST Inc.
