A Bit About TRUST Inc

You may know us through Meals on Wheels, Chore Home Services, Grocery/Errand Transportation Services or Trusty Salers Estate Services. Together, we are a 501C3 non-profit agency that partners with communities of faith and communities of neighbors to help seniors 55+ and those with disabilities remain safely in their homes.

We are located at 9 West Rustic Lodge in South Minneapolis. You may ask, "Where's that?" The easiest answer is we are just west of Nicollet Avenue at about 48th and ½ street (aka Rustic Lodge). We are just west of the St. John's Lutheran Church parking lot on the first floor of a 1930's duplex home that has been converted into office space. Now that you know where we are, stop in anytime. This summer we are planning to put in an accessibility ramp to the front door and some window boxes we hope to fill with geraniums!. We are open 9:00 a.m. – 2:00 p.m. Monday – Thursday.

Community Connections

January and February were cold months in the cities filled with a couple of projects that warmed our heart as we served our neighbors with love and kindness. In January, to honor Dr. Martin Luther King's vision of a 'Day of Service,' TRUST Inc hosted a cold weather pack for neighbors in need. We assembled over 400 kits for Simpson Housing Services and were inspired by our keynote speaker, Minneapolis City Council President, Andrea Jenkins.

In February several community partners got together at the TRUST

Inc offices and created over 200 valentines to be shared with our clients and senior residences, to let them know we were thinking about them!
